Mountaineer Boys State

Volume 19, No. 6 Jacksons Mill, WEST Virginia, SAT. June 9, 1956

SCHEDULE OF INSTRUCTIONS FOR LAST MORNING AT BOYS STATE

Events this morning will move rapidly. Be sure to use this check list so you won't miss anything.

- 6:30 Reveille
- 6:45 Calisthenics -- Bring your sheets and pillow case to the laundry truck by the dining hall. Make your beds neat by folding blankets. Clean up the remains of the party last night.
- 7:20 Flag raising.
- 7:25 Breakfast
- 9:00 Awards Assembly. Remove all luggage from your cabin. Students returning to Charleston via Greyhound will meet at Harrison. All others will place their luggage ACROSS THE ROAD in the area between Marion and Kanawha.

Getting your rides---Cars will be told to make pick-ups in the Marion-Kanawha area. DO NOT LEAVE this area. Two years ago we had a Stater get restless, wander off for a few minutes, and miss a man who had driven all the way from Lewisburg.

Meals---If your ride doesn't come and you have to eat lunch, get your own meal ticket at the camp office under the dining room.

You get an extra with this morning's Mountaineer. As part of this edition you will find a Journal of the State Senate and a Journal of the House of Delegates. The complete list of appointments by Governor Frye are in the Senate Journal.

BOYS' STATERS HAVE TWO-TON APPETITES FOR MEAT

The amount of food shoveled in by Boys Staters this week sets a record of some kind for a week's volume at the Mill.

We ate 800 pounds of chicken, 1,500 beef, 350 ham, 200 fish, 400 pork, 350 meatloaf, 80 weiners and 500 pounds of bacon. That is 4,180 pounds---a little over two tons of meat.

We also drank 100 gallons of milk daily, ate 200 dozen eggs, 1,560 pounds of fresh green produce and 1,500 pounds of potatoes.

How much does it add up to? We don't have that total but we were told by the cook this afternoon that he prepares only half as much food for Girls State as for us.

JACKIE MCKOWN TO HEAD BOYS STATE NAVAL FORCES

Counselor C. H. McKown was named Front Admiral of MBS Navy yesterday by Gov. Frye who continued the system of honorary appointments started by Gov. Dudding.

John Cox was named Rear Admiral and Chief of Staff. Other Rear Admirals are Clem Basset, Dick Dunkle, Siegal Gardener, Tommy E Jones, E.G. Bias, R.A. Thom, Frank Shaffer and P.A. Niceley.

LUGGAGE PRESENTED TO CHIEF COUNSELOR

In a surprise presentation at the Stunt Night Assembly, Chief Counselor W.R. Fugitt was given two pieces of matched luggage as a gift from the counselors and staff.

The presentation was made by Dr. Raymond Vassar in honor of Fugitt's 10th anniversary as chief counselor. He has served longer than any other Chief Counselor.

For once, the Chief Counselor was without words after the presentation. He did manage to report that he would use it on his trip to New York starting this weekend.

Another presentation---in the category of a gag---was made to Fritz Heller in recognition of his role as inspection officer and "Chief Sanitarian" of Boys State.

Fritz Heller was named Inspector General of the Navy.
